Abstract: Join Marla Allen, a dynamic and accomplished operations executive with 20+ years of experience, for a powerful new teleseminar that will guide you through the steps to start conducting performance reviews that actually have impact. In this session, you will learn how to:
Apply six steps to setting effective goals that align with the organization's strategy and mission.
Facilitate two-way performance calibration conversations regularly.
Learn how to use feedback to actually motivate employees (instead of turning them off!)
Direct the conversation so that the employee leaves with a sense of purpose and commitment, jumpstarting employee engagement.
And more!
